RE: Overnight Travel–Marching Bees: March 28-April 2, 2016

I submit the following item:

Approval of Overnight Travel: BBHHS “Marching Bees” to Orlando, FL, March 28-April 2, 2016, to participate in Disney World Magic Kingdom parade down Main Street.

There will be no cost to the district. Supervised by Band Director Jason Wyse, Associate Director Tricia Astey, and assistants (with parent chaperones).

- a. Early approval is necessary given the complexity and scale in planning such a trip. Approximately 275 students could participate!
- b. Great Day Tours is our travel company.
- c. \$600 - \$700 per student cost—no district funds are used.

Purpose: Educational as well as positive public relations
