

# HALF-DAY KINDERGARTEN SUPPLY LIST

At Kindergarten screening in May, there was a form given to you regarding ordering your child's school supplies through 1<sup>st</sup> Day School Supplies. This is the complete list of the supplies that your child needs. Items marked with a \* are ones that were not part of the kit and will need to be purchased separately. There was an error with the kits that you need to take note of. There will only be one glue stick in the kit but your child will need a total of 4. You will need to purchase the additional 3. If you didn't order through 1<sup>st</sup> Day School Supplies, you will need ALL of these items listed.

**Please bring all items to your Kindergarten Phase-in appointment. Please DO NOT label any of them with your child's name (with the exception of the crayons-see below).**
