

Science and Mathematics Achievement Required for Tomorrow

June 10, 2013

Scot T. Prebles
Brecksville-Broadview Heights City Schools
6638 Mill Road
Brecksville, OH 44141-1599

Dear Scot,

Please find enclosed a reminder for your district's SMART Consortium support stipend payment for the 2013-2014 school year. Per SMART Consortium guidelines, all school districts, both city and local, are asked to pay an annual membership stipend to enjoy full membership benefits.

As in previous years, we send out these invoices in June so school districts that want to use remaining FY13 funds for this purpose will be able to do so. The due date for the 2013-2014 support stipend payment is September 1, 2013.

In 2012-2013, the SMART Consortium has provided member school districts with the following services:

- New online classes for teachers and administrators in math & science
- New STEM Partnerships
- Presentation on new science standards
- Design Squad Competition for middle school students
- Presentations by Joe Roman, CEO of Greater Cleveland Partnership
- Job embedded mathematics and science support / coaching
- OAA data re-rostered in the ODE SUCCESS website
- Curriculum review and audit in mathematics and science
- In-district teacher professional development in assessment, math, science, technology and content literacy
- In-district support for professional learning communities
- Third Flipping The Classroom Conference
- Mathematics, science and reading assessments for students – OAA practice
- Common Core Requirements Presentations

You are encouraged to visit our website at www.smartconsortium.org to learn more about the many services and resources that are available from the SMART Consortium.

If you have any questions, please call me at 216-916-6338 or Michael Edelman at 216-916-6422.

We greatly appreciate your support and your leadership to improve mathematics and science teaching and student learning. We are looking forward to working with you and your staff next year as we continue the journey toward improvement.

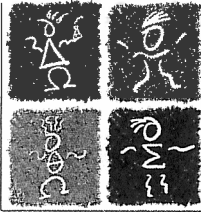

Best wishes for a productive and restful summer.

Sincerely,

A handwritten signature in blue ink that reads "Linda J. Williams". The signature is fluid and cursive, with the first name "Linda" and last name "Williams" clearly legible.

Linda J. Williams, Ph.D.
Executive Director, SMART Consortium
