Very Important Dues Information - Please Read

Within the very near future, due to the cost to produce and mail the *Pollen Count*, we regret we will no longer be financially able to send every alumni a copy. The *Pollen Count* will only be sent to those alumni who pay their dues, are lifetime members, make donations or advertise in the *Pollen Count*. This policy will commence with the 2008 *Pollen Count*. We will send all alumni a copy of the *Winter Newsletter*, which in the past has only been mailed to alumni who have paid their dues. This newsletter is mailed out the beginning of December. We regret we will have to take this action. If we do not institute this policy, the BBHHS Alumni Association will cease to exist because we will have run out of funds. Our dues are very reasonable and we hope your past enjoyment of the *Pollen Count* will encourage you to pay your dues. We would like to thank all alumni who have supported us in the past and it is our sincere hope more alumni will join in with their support in the future. Remember, this is your Alumni Association! Please encourage fellow classmates to pay their dues. Please make your checks payable to the BBHHS Alumni Association and send your payment to the above address. To see if your dues are paid, please refer to the **Lifetime & Dues Paying Members List** in the back of the *Pollen Count*.

(The above policy will be instituted with a majority vote of approval to be taken at the annual Alumni Banquet in 2007.)
