 - CT = Call time for rehearsals and performances. This is the time that students should be in their seats ready to begin rehearsal.
 - Be at the right place, at the right time for all band activities with the proper equipment, attire, and attitude. **Remember – “on time” is 10 minutes early!**
 - Percussion should arrive at least 15 minutes early for setup and warmup.
 - “To be early is to be on time, to be on time is to be late, to be late is to be...”
- B. NO GUM-CHEWING during rehearsals or performances. This is not only unprofessional, but a health hazard!
- C. Students should show respect for their peers and directors by refraining from talking during rehearsals.
- D. PDA – In accordance with school policy, public displays of affection will not be permitted in the music area or during any rehearsal, performance, or travel situation.
- E. Learning of music is the responsibility of each individual member in our music ensembles. You may be tested or required to turn in tapes showing your musical progress. These tapes will be evaluated by the directors.
- F. The care of music and folders is the responsibility of the student to which they are assigned. If music is lost, it is the student’s responsibility to speak with the director to determine whether the part can be replaced or will need to be paid for.
- G. As a representative of BBHHS and the BBHHS Bands, students must adhere to the school Code of Conduct at all band activities.
- H. **AWAY GAMES and BAND FESTIVALS** – Conduct at these events should be professional at all times, on and off the field. This includes showing respect for those performing on the field by refraining from talking and demonstrating proper audience etiquette at all times.

ATTENDANCE / GRADING POLICY

A. ALL PERFORMANCES AND REHEARSALS ARE MANDATORY

The band schedule is provided as far in advance as possible, for this very reason. Please make arrangements and work out conflicts ahead of time.

- a. Unexcused absences will result in the student receiving a “zero” for every event that is missed. These points cannot be made up.
 - i. **Work is not an excused absence.**
 - ii. An unexcused absence from a performance will result in a student’s band grade being lowered by at least one letter grade.
- b. Excused absences can still result in a lowered grade if not due to a personal or family illness. Another school function (i.e., athletics) or family commitment may be excusable if prior arrangements are made with the directors well in advance.
 - i. ABSENCE REQUEST FORM - For any absence to be considered, students must submit this signed form **one week prior** to the event.
 1. A copy of the form is located in the back of this handbook, as well as on the band website: www.bbhcsc.org/high/band
 - ii. An absence due to illness or family emergency requires a parental note explaining the situation, submitted upon the student’s return.

B. GRADING POLICY

- a. Attendance, participation, and effort are important parts of the ensemble experience. Other assessments may include playing tests, memorization checks, and additional assignments added at the directors’ discretion.
- b. Points are earned for meeting expectations.
 - i. Expectations for band members include, but are not limited to: being on time with all necessary equipment, participating with effort, displaying musical progress, submitting acceptable tapes for auditions and playing tests, and attending all required band activities.
- c. Points will be subtracted when students do not meet expectations.
 - i. For example: Absences, tardies, not having necessary equipment (instrument, music, etc.), chewing gum, poor posture, negligence or abuse to school property, disruptive behavior/disrespect, displaying a lack of effort and musical progress, etc.
 - ii. **Compliance with the UNIFORM is required.** Points will be subtracted for not having the proper uniform components for a performance, as well as failure to wear the uniform properly. Students may not be allowed to march if the uniform is incomplete.
