Grant said- Having more computers in my classroom will allow students... I think laptops are too expensive and non reliable compared to desktops. Also said was- I will intergrate the use of technology in everything I do. What does this mean?	
Strong proposal.	

Description of Ratings	
Excellent	Specific and comprehensive. Complete, detailed, and clearly articulated information as to how the criteria are met. Well-conceived and thoroughly developed ideas.
Good	General but sufficient detail. Adequate information as to how the criteria are met, but some areas are not fully explained and/or questions remain. Some minor inconsistencies and weaknesses.
