

Brecksville-Broadview Heights City School District

Important Athletics Update Regarding Start of Fall Athletics Season

August 25th, 2020

Dear Brecksville-Broadview Heights City Schools Community,

The District is grateful that the State of Ohio has given our student-athletes the opportunity to compete this Fall season and we appreciate and respect the guidance that has been put in place for our athletes, coaches and spectators to follow. In moving forward with tomorrow's contact event, the list of expectations below will be followed to ensure that our student-athletes can enjoy the shortened season of competition:

- Our athletic venues can only be filled to the lesser of 1,500 people, or 15% capacity
- Face masks, and physical distancing must be adhered to by all spectators, coaches and student-athletes when not directly competing
- No spectators are permitted to congregate on the grassy hills outside the stadium
- Tickets to athletic events will be sold in the following manner:
 - For HOME Varsity football games: Band members, cheerleaders and dressed football players will be given the opportunity to purchase a maximum of two tickets for each home game from their coach or adviser. These tickets are intended to be used only by the family members of each participant. All tickets are \$7.00. **NO TICKETS WILL BE SOLD AT THE GATE BEFORE THE GAME**
 - Tickets will be sold at the gate for soccer, volleyball, freshman and junior varsity football
 - Adult tickets are \$3.00 and youth tickets are \$2.00 for freshman volleyball, freshman football and junior varsity football games. Adult tickets are \$7.00 and youth tickets are \$4.00 for junior varsity and varsity volleyball and soccer games
 - The family of each student participant in soccer, freshman football and junior varsity football will have the opportunity to purchase four tickets, for family only, and the family of each student participant in volleyball will have the opportunity to purchase two tickets, again, for family only
 - A participant's tickets are not transferable
 - The Middle School will be selling tickets at the gate for volleyball and football games. Adult tickets are \$2.00 and youth tickets are \$1.00. The family of each student participant in Middle School volleyball and football will have the opportunity to purchase two tickets, for family only

The venue and roster size of each event dictates our ability to sell tickets. Please also be aware our team schedules most assuredly will change as the season progresses, sometimes at the last minute. There is a chance we will be hosting more home events than are currently scheduled. Please check our school website and athletics twitter feed often, as the District will always try to keep things as current as possible.

The BBHCS D is also currently working on live streaming our home varsity volleyball, soccer and football games this season. This is a work in progress and we appreciate your cooperation and patience as we launch this venture. Further details will be shared as they become available.

Finally, please be aware that each school we play on the road may have different protocols established by their school district. As much information as possible will be shared with our

teams regarding ticket purchasing, event protocols and site rules for road contests.

Thank you for your cooperation and understanding during this unprecedented time. All the best to our student-athletes and their families for a wonderful fall season, and please know that the BBHCSD is working very hard to provide a happy, healthy and safe experience for everyone.

Thank you for your continued support!
GO BEES!

Joelle Magyar
