

# Brecksville-Broadview Heights City School District

## Effective Monday, BBHCS D's Food Service Department will Provide Free Breakfast and Lunch Meals for All Enrolled Students

September 18th, 2020

Dear Brecksville-Broadview Heights City Schools Community,

The BBHCS D will begin providing free lunches for **all** enrolled students beginning Monday, September 21st. The District is able to offer this service through the end of the calendar year, compliments of funding assistance provided by the federal U.S.D.A., per the C.A.R.E.S. Act. The allocated funding will provide one breakfast and one lunch per day, per student.

This opportunity is available to **all** students, regardless of free and reduced lunch status. Taking advantage of free school meals allows you to extend your food budget and save on meal-prep time, permits students to enjoy their favorite school treats, and greatly aids the District's Food Services Department. According to the U.S.D.A., students MUST take full lunch components. And, students will continue to come through our serving lines at the High School and the Middle School. Keep in mind that this does not cover additional Ala Carte items! Elementary lunches do require a pre-order, so please be sure to use the following link nearby.

Thank you for taking advantage of the free meals for **all** enrolled students. Remember, you are not taking meals away from someone who needs them more, as they are for all enrolled students.

Have an enjoyable weekend.

Joelle Magyar  
Superintendent of Schools
