## Town Hall Meeting to Share What Parents Need to Know about Remote & Online Learning

September 16th, 2020

Dear Brecksville-Broadview Heights City Schools Community,

Please accept this email as a "Save-the-Date" correspondence, informing the community that the District will host our very own ***Leading and Learning Virtually: Remote/Online Town Hall Meeting*** on Wednesday, September 30th at 6 p.m. for the purpose of sharing valuable updates with parents regarding standards, protocols and expectations during the days when this learning model is taking place. This ***Leading and Learning Virtually: Remote/Online Town Hall Meeting*** will be hosted by BBHCSD staff, who will share the successes experienced during the first few weeks of school, and re-communicate the continued high standards established by the District during learning times when not in the classroom. Homework expectations will be re-communicated for remote and online learning as well, and a question-and-answer session will conclude the virtual meeting.

Login information will be shared via email correspondence and on the District website as the day and time approaches, so please stay on the lookout for future updates!

Encouraging students, staff and our entire BBHCSD family to *Bee Your Best* even when not in a traditional classroom setting is expected on our collaborative quest to become life learners. We look forward to sharing more on Wednesday, September 30th at 6 p.m. during our ***Leading and Learning Virtually: Remote/Online Town Hall Meeting***.

GO BEES!
