Superintendent's Update Message Key Reminders, Updates, and Activities

January 27th, 2023

Dear Brecksville-Broadview Heights City Schools Community,

Please accept this email as a form of an update on several important topics, along with a reminder about a variety of activities of significance within our school district. Key personnel moves will be taking place at Central Office in the coming weeks. Effective March 1st, Brian Wycuff will be moving into a new role as Assistant Superintendent of Personnel and Business Operations. An entirely new position entitled *Operations Coordinator*, has been posted, a position which will partially become responsible for various public school works, volunteer management, FMLA matters, and more. The district is working to update our organizational chart to reflect these changes, which will be posted on our website in the near future. Once again, all of these changes will be in full effect for the 2023-2024 school year, but we will start the transition as of March 1st of this school year. Thank you for your attention to this matter.

Kindergarten and Preschool Registration!

Registration time is here for both Kindergarten and Preschool, and the district encourages those families to visit our website and the pages specifically devoted to enrolling for these grade levels. For Kindergarten, parents can visit this page to learn more about the online process, which opens on Wednesday, February 1st. Please keep in mind, students 5 years old on or before September 30th are eligible for Kindergarten next school year. For those interested in Preschool, an important Peer Screening opportunity is forthcoming on Friday, February 17th from 10 - 11 a.m., and *families must have an appointment to participate*. Those interested in Preschool can visit the Stepping Stone web page here to learn more.
