

Congratulations Brecksville-Broadview Heights High School 2024 National Blue Ribbon School!

Dear Brecksville-Broadview Heights City Schools Community,

Please accept this "special edition" email correspondence with the community to share the exciting news that just minutes ago, Brecksville-Broadview Heights High School was named a 2024 National Blue Ribbon School by the U.S. Department of Education!

This honor places Brecksville-Broadview Heights High School in a highly exclusive and select group of schools nationwide, and we congratulate Mr. Jakub, his staff, the students, and the families of BBHHS.

Announced by the U.S. Secretary of Education in a ceremony from earlier today, Brecksville-Broadview Heights High School becomes 1 of just 356 schools nationwide, to earn the prestigious recognition based upon excellence in academic performance and significant strides in closing achievement gaps among different student groups. In a release posted by the Department of Education, as a National Blue Ribbon School, BBHHS is looked to as being *"a model for effective teaching and collaboration in their communities...and are led by leaders who articulate a clear vision for instructional excellence and uphold high standards."* In addition, BBHHS was highlighted for what the U.S. Department of Education affirms as effective teaching methods and robust professional development for their staff. Data-driven instruction is a hallmark, and there is a concerted effort to ensure every student succeeds. Collaboration among families, communities, and educators is a key component of their success. Up to 420 schools are nominated each year through a rigorous application process and are evaluated based upon two performance categories: exemplary high performing schools, and exemplary achievement gap closing schools.

For earning this highest recognition, leaders from BBHHS and district administrators will travel to Washington, D.C. in November to formally accept this award on a national stage, and the district will share more information and pictures from that event. Brecksville-Broadview Heights High School was also awarded a Blue Ribbon School in 2008 and joins the Middle School who earned the honor in 2018, and Highland Elementary School, who earned this recognition in 2002, as National Blue Ribbon Winners in our district. You can view photographs and a brief description of BBHHS as a member of the [2024 National Blue Ribbon School list by clicking here.](#)

Great job BBHHS Family! Congratulations once again... GO BEES!

Sincerely,

Jeffrey D. Harrison
Superintendent
