

Brecksville-Broadview Heights City School District

**Thank You for a Successful and Safe Start to the '21-'22 School Year!
Love4BBH Rally to be Postponed!**

August 20th, 2021

Dear Brecksville-Broadview Heights City Schools Community,

On behalf of everyone in the District, thank you to the students, staff, families and the entire school community for making the return to school for the '21-'22 school year safe and successful. At each building, the love, warmth and care we have for one another was on full display. Thank you also for your patience and understanding given the circumstances of an ever-changing public education environment. We have clearly remained unified in our desire *to be our best, be the future and be one community*. These shared school cultural values will continue to be promoted, exemplified, and expected of everyone in the District.

The BBHCSD will be postponing our LOVE4BBH rally planned for next Tuesday, August 24th in light of the cancellation of the BBHSF's Uphill/Downhill Run that evening, so that we can remain aligned in our efforts and partnership in the future. The District is currently devising a video of the various supportive special guests, including students and community leaders, so that a recording can be available that demonstrates our love and support for the students in the BBHCSD. We'll share that video link in the very near future!

Thank you for a safe, and successful return to school this week. Have an enjoyable weekend, and as always...

GO BEES!

Joelle M. Magyar
Superintendent of Schools
