Congratulations National Honor Society Inductees PaySchools Portal Now Permits Transfer of Student Lunch Balances

December 9th, 2022

Dear Brecksville-Broadview Heights City Schools Community,

Congratulations to the 105 students who were formally inducted into the National Honor Society in a ceremony earlier today. Upholding the pillars of *Leadership, Character, Scholarship, and Service*, our inductees have demonstrated a true mastery of these characteristics, and they will serve them well in future endeavors. Special gratitude to our families of the inductees, the staff members who helped enrich their academic lives, and advisors of NHS. What a wonderful ceremony!

Transfer Student Balances with PaySchools

Reporting from the Treasurer/CFO's office, the BBHCSD is pleased to announce its diligence in requesting the valuable service of transferring student lunch balances within the PaySchools portal. The option has now been created after inquiries from our school family, and we have recently launched this capability. [Please visit the easy-to-use dashboard instructions here, which are posted in several places on our district website,](#) or contact their customer service at any time at 877-393-6628. Thank you and enjoy this added functionality!

Thank You for your Participation!

Finally, thank you to those who made time to attend the presentation by the Internet Crimes Against Children team earlier this week to discuss the dangers of inappropriate online behavior. We appreciate Emmaleigh Welka and Judge Jennifer L. O'Malley making time to express the concern all parents should have for their children's online activities. Please be advised that the BBHCSD will continue to provide opportunities and resources to raise awareness about matters of this nature, and appreciates your help in the battle to keep our students and staff safe and secure at all times.

Have a safe and enjoyable weekend. Thank you for your continued support.

Sincerely,

Joelle M. Magyar
Superintendent of Schools
