## Board of Education Meeting on Wednesday, December 16th to Feature Discussion Regarding Proposed Learning Plan Going Forward

December 14, 2020

Dear Brecksville-Broadview Heights City Schools Community,

The Board of Education will host its regular meeting for the month of December this coming Wednesday, 12/16 at 7 p.m. at the Administrative Office of the BBHCSD. The District's proposed learning plan for the remainder of the 2020-2021 School Year will be a primary topic of conversation at this meeting. The community is encouraged to [watch the meeting by using the Board's YouTube link](#), attached here. Please take advantage of this capability to watch the meeting online about this most important topic impacting the remainder of the school year.

The final proposed plan is expected to be posted online by the end of this week, for the entire BBHCSD community to review.

Finally, despite all that is going on around us, the holiday season is here, and as a way to share some holiday cheer, I'll be reading ***The Polar Express*** on the [District's YouTube channel](#) on Thursday afternoon at 2 p.m. We encourage you and your children to make a holiday snack and go online to watch this wonderful story come to life. While in many ways this holiday season may be different than in year's past, we can still enjoy each other's company, even if online, with a timeless seasonal story being read together.

Have a safe and enjoyable week ahead.

Sincerely,

Joelle Magyar  
Superintendent of Schools
