## Winter Break Begins Monday, December 20th Have a Joyous Holiday Season

December 17th, 2021

Dear Brecksville-Broadview Heights City Schools Community,

Today was a safe and secure day in our district, and I thank everyone for your collaboration in making this our highest priority as a school district.

As we depart for Winter Break, I extend my personal wishes for a healthy, safe, and joyous holiday season. Thank you for your continued patience and support in our partnership to keep our staff, students and families as healthy as possible, and learning in-person during the first part of our school year. To that end, the BBHCSD will return to school after Winter Break on Monday, January 3rd and please keep in mind that we, as a district, will remain masked for two weeks through Friday, January 14th.

The BBHCSD is excited to share with our school family the administrative team that will lead our new PreK-5 Elementary School when it opens next fall. As the community knows, Colleen Toth will be our Principal, and she will be joined by grade level Principals Bryan Bedford (Grades 4<sup>th</sup> and 5<sup>th</sup>), Tina McCauley (Grades 1<sup>st</sup> through 3<sup>rd</sup>) and Christopher Hartland (Grades Preschool & Kindergarten). As the district continues making strides towards our exciting transition into the new building, we will provide more updates.

Congratulations to the new inductees of the National Honor Society, in a ceremony that took place last week. Your dedication to the pillars of NHS, including leadership, scholarship, character, and service are to be commended. A special word of gratitude is extended to the families of our inductees, who work hard to foster an encouraging home environment that allows our students to thrive. Those who participated in today's Jingle Bell Jog were adoring as well, so thank you to everyone who helped to make this possible.

Finally, and once again, please take a moment to safely enjoy your Winter Break with family and friends. Without question, this past year has presented challenges and changes, but with your help and cooperation, we have prevailed with continued success. This is certainly the most wonderful time of the year!

May you find peace, joy, comfort and hope through kindness and goodwill to one another.

Sincerely,

Joelle M. Magyar  
Superintendent of Schools
