

Brecksville-Broadview Heights City School District

BBHCSD Will Extend Mask Mandate Through Friday, January 28th

January 13th, 2022

Dear Brecksville-Broadview Heights City Schools Community,

As a friendly reminder, Friday, January 14th is a Records Day in our district, with no school for students and Monday, January 17th our entire school family will recognize Dr. Martin Luther King, Jr. Day. Please enjoy your long weekend break and stay safe and healthy.

District leadership continues to closely monitor the circumstances related to COVID-19 and feels strongly that in order to ensure an optimal environment for health and wellness **the BBHCSD will continue its mask mandate through Friday, January 28th, 2022**. On behalf of everyone on our leadership team, we thank you for your patience and your flexibility as we continue making decisions in the best interest of student and staff safety.

On Monday, March 21st, our community will participate in our annual *Take Back Togetherness Night* where no afterschool activities will occur, and our school community is encouraged to spend an evening without electronic devices, and with one another. Mark your calendars. Plan some uplifting family time...and enjoy!

On a final note, our student-participants in winter athletics and co-curricular activities are representing our school district in fine fashion. Be sure to check our school website, our various organization sites and social media to see our performances or athletic contests. Great work to our students, our coaches and advisors for all that you do!

Have a smart, safe, and healthy long weekend.

Sincerely,

Joelle M. Magyar
Superintendent of Schools
