## BBHCSD Mourns Tragic Loss of Life in Texas

May 25th, 2022

Dear Brecksville-Broadview Heights City Schools Community,

With extremely heavy hearts and great sadness, the BBHCSD joins millions of Americans and many other school districts in deeply mourning the senseless loss of life in the wake of the tragic and horrific events that took place in Uvalde, Texas, yesterday. We are extremely heartbroken over such incomprehensible and vile behavior during a time of the school year when we should be joyful and celebratory. We feel the pain in our district, and seek to do all that we can to help the community understand that school is a place of learning and understanding, and not one of fear and violence.

The BBHCSD recognizes that such tragedy may cause anxiety for those in our school family, and as a result, added public safety presence has been placed throughout our campuses today. In addition, the BBHCSD reiterates its commitment to school safety and security as our top priority for students and staff. We will continue with ensuring that our safety teams, security protocols, and step-by-step plans are constantly reviewed, enhanced and prepared. We value, and work daily with our local law enforcement officials from the Cities of Brecksville and Broadview Heights through our School Resource Officers, police chiefs, and elected leadership, to ensure safety and security in our buildings. The BBHCSD also truly believes that caring relationships among students and staff helps to minimize the negativity that could lead to tragedy, and will continue promoting ways for enriching the lives of everyone in our family.

Please join me, and others in the BBHCSD, in expressing our heartfelt sympathies, and deepest condolences to the students, parents, teachers, and the entire Robb Elementary School community from Uvalde, Texas.

Sincerely,

Joelle M. Magyar  
Superintendent of Schools
