

Brecksville-Broadview Heights City School District

Masks Still Required During Bus Transportation, Please See Below Help Support the Senior Class of 2022!

November 1st, 2021

Dear Brecksville-Broadview Heights City Schools Community,

The district thanks our school family for your continued patience and flexibility as we continue navigating the current coronavirus educational environment. In light of our correspondence from last week, and the rescinding of the mask mandate in grades K-12 in the buildings, the BBHCSD must add a few important reminders for everyone's safety:

- Please remember, ***the mask mandate is still in effect due to the federal restrictions on conveyance vehicles, including school busses***. Students can remove their masks after disembarking the bus and entering the buildings, but during transport, masks are required. Thank you for your help and support in complying with the mask mandate during bus transport.
- In light of being asked about outside individuals in the buildings ***the BBHCSD is still prohibiting visitors in the school buildings***, except for the permissible helpers with our student holiday celebrations. As we enter flu season and a period of colder temperatures, the district will seek to minimize opportunities of increased exposure to individuals. The BBHCSD will re-evaluate the visitors policy after the new year.

Finally, this year's graduating Class of 2022 is currently raising funds for graduation activities this year. Funds raised are intended to pay for such activities as the senior breakfast and cookout at the end of the school year. The senior class is doing so using the "SNAP" platform, which has become popular in the last few years with COVID. Rather than students raising money by selling goods or services, the senior class is simply asking for donations. [Please click on this link and make your donation to help our senior class!](#)

Thank you for your continued support.

GO BEES!

Sincerely,

Joelle M. Magyar
Superintendent of Schools
