

Brecksville-Broadview Heights City School District

Superintendent Update Email November 2023

Dear Brecksville-Broadview Heights City Schools Community,

On behalf of everyone in our school district, we sincerely and graciously thank our veterans for their past or active service to protect the freedoms in our nation that we hold dear. During the past week, several assemblies of recognition took place throughout the Brecksville-Broadview Heights City Schools, to commemorate the veterans in our school community with tributes, songs, and words of inspiration. Please see the website for some of these stories, and once again, thank you to all who have served.

Thanksgiving Break Next Week

Students will celebrate our Thanksgiving Break throughout the week, Monday through Friday, beginning on November 20th. Staff will hold in-service days on Monday and Tuesday next week. On behalf of everyone in the Brecksville-Broadview Heights City Schools, I wish our staff, students, school families, and our community a blessed Thanksgiving Holiday. Classes for students and staff resume on Monday, November 27th.

Congratulations to our Board Members-Elect

On behalf of the district, please join me in congratulating those in our community who ran for and became our new members of the Board of Education: Lisa Galek, Eva O'Mara, and current board member Mark Dosen. These individuals will be sworn in for a new term in early January 2024. Thank you to all who ran, to the voters for turning out at the polls, and congratulations to our winners once again.

Congratulations to our Bees College Athlete Commits

Several milestones among our students and student-athletes have taken place during the last several weeks, and the BBHCSD would like to share them with the community-at-large. BBHHS seniors Luke Skaljac and Anna Wise formally made their respective commitments to continue their academic and athletic careers at the collegiate level during a special letter of intent signing ceremony in *The Hive*. Each student was joined by family, coaches, and teammates to celebrate their proud accomplishment. Luke Skaljac will continue his academic and basketball career at Miami University of Ohio next fall. Anna Wise signed a letter of intent to further her academic and softball pursuits at Ohio University in the fall of 2024. Congratulations, Luke, and Anna!

Cheerleaders are Suburban Conference Champs!

A special word of congratulations is also given to our High School Cheerleading Team for winning the Suburban Conference championship recently. With a display of hard work and extraordinary athleticism, our very own Cheerleading Team outperformed other competing teams in the conference with class and confidence. Our Cheerleading Team is the emotional backbone of the Brecksville-Broadview Heights City Schools, investing time all school year to perfect the chants, cheers, and performances which rally the support of our home audiences during competitions. To honor their leadership in matters of enthusiasm, the BBHCSD seeks to send its sincerest congratulations to the members, advisers, and families of our beloved Cheerleading Team for this milestone.

Stepping Stone Preschool Announces Peer Screening!

Those in our school family who are eligible or know those interested in our Stepping Stone Preschool should please mark their calendars for Friday, February 2nd, 2024, for our annual Peer Screening date. Stepping Stone Integrated Preschool is a comprehensive preschool program that serves the district's youngest students, and parents must make an appointment by contacting Melody Davies at 440-740-4142, since there are a limited number of open spots.

Once again, thank you for your continued support. Have a wonderful Thanksgiving Holiday.

Go Bees!

Jeffrey D. Harrison
Superintendent
