

Brecksville-Broadview Heights City School District

**BBHCSD Will Make Test Phone Calls at 6:30 p.m. Tonight,
Please Allow 15-20 Minutes for All Calls to be Completed**

November 16th, 2021

Dear Brecksville-Broadview Heights City Schools Community,

This evening at approximately 6:30 p.m., the district will send a test message to all families in our school community to trial a new phone outreach system as a way to continue timely and useful communications. Please keep an ear out for this phone call, and permit about 15-20 minutes to allow the system to make the call to all 6,000+/- contacts in the database. If for some reason you do not receive a phone call outreach from our system tonight, would you kindly send an email to your building principal with the phone number you wish to include in our platform? We greatly appreciate your cooperation and help in ensuring the effectiveness of another communication tool that the district will have at its disposal. Thank you.

In other news, the drive on the south side of the High School and Middle School campus, near the Board Office, has been temporarily closed due to the district's installation of ADA compliant ramps for the bleachers at both the baseball and softball fields. This installation should take only a few weeks, and is a temporary closure to enhance our fan experience with accommodating and compliant seating for all! If you drive on this campus, please use an alternate route while the district completes this important project. Thank you for your flexibility.

Thanksgiving Break will be upon us next week, and as we approach this next major milestone moment of the school year, I thank the students, staff, families and community for their continued patience, pursuit of excellence and desire to *Bee One Community*. Your commitment to our district is very much appreciated.

Thank you for your continued support of the Brecksville-Broadview Heights City Schools.

Sincerely,

Joelle M. Magyar
Superintendent of Schools
