

Brecksville-Broadview Heights City School District

BBHCSD Will Remain in Current Hybrid Model Until Further Notice Based on Data from Governor's Press Conference Today

October 22nd, 2020

Dear Brecksville-Broadview Heights City Schools Community,

Based upon compelling data and other information presented at Ohio Governor Mike DeWine's press conference from today, Thursday, October 22nd, the BBHCSD will remain in its current Hybrid Model of Learning until further notice. His assessment demonstrates that all indicators have been met for a re-designation to Level 4 Purple, the most serious level on the Ohio public health advisory system, even though Cuyahoga County still officially remains Level 3 Red. The recent surge in cases compels us to "press pause" as we monitor whether or not yet another change might be required in the near future. Such a tone to the data presented at today's press conference prompted me to speak to our Board of Education and other District leaders. We collaboratively determined that postponing our return to 5-Day/Week, In-Person learning until further notice, was in our collective best interest.

Consequently, please disregard yesterday's email correspondence.

Once again, students and staff in the BBHCSD will remain in the current Hybrid Model of Learning. Please expect building-specific emails tomorrow that will contain further information about next week.

Thank you for your continued patience and support as we all navigate through this ever-changing, unprecedented pandemic, and its impact on our lives.

Be well.

Joelle Magyar
Superintendent of Schools
