## Board of Education Meeting on Wednesday, October 27th

October 26th, 2021

Dear Brecksville-Broadview Heights City Schools Community,

The Board of Education will host its regular monthly meeting tomorrow evening on Wednesday, October 27th at 7 p.m. at the Board Office. A conversation will take place at the meeting about working towards the alignment of the bell schedules at the High School and Middle School, and what transportation requirements would be needed for such further orientation of schedules. The district has engaged in extensive conversations with elementary administrators and teaching staff, and as a result, is *firmly committed to keeping the elementary bell schedules virtually the same* for the 2022-23 school year. To be clear, no extensive changes to the elementary bell schedules are under consideration.

The outcome of the discussion about further aligning the bell schedules at the High School and Middle School, and the relevant transportation needs, will be communicated in an upcoming email. The district will also be sending another email later this week with some updates from the Ohio Department of Health, and other activities taking place in the district. Thank you for your continued support.

Sincerely,

Joelle M. Magyar  
Superintendent of Schools
