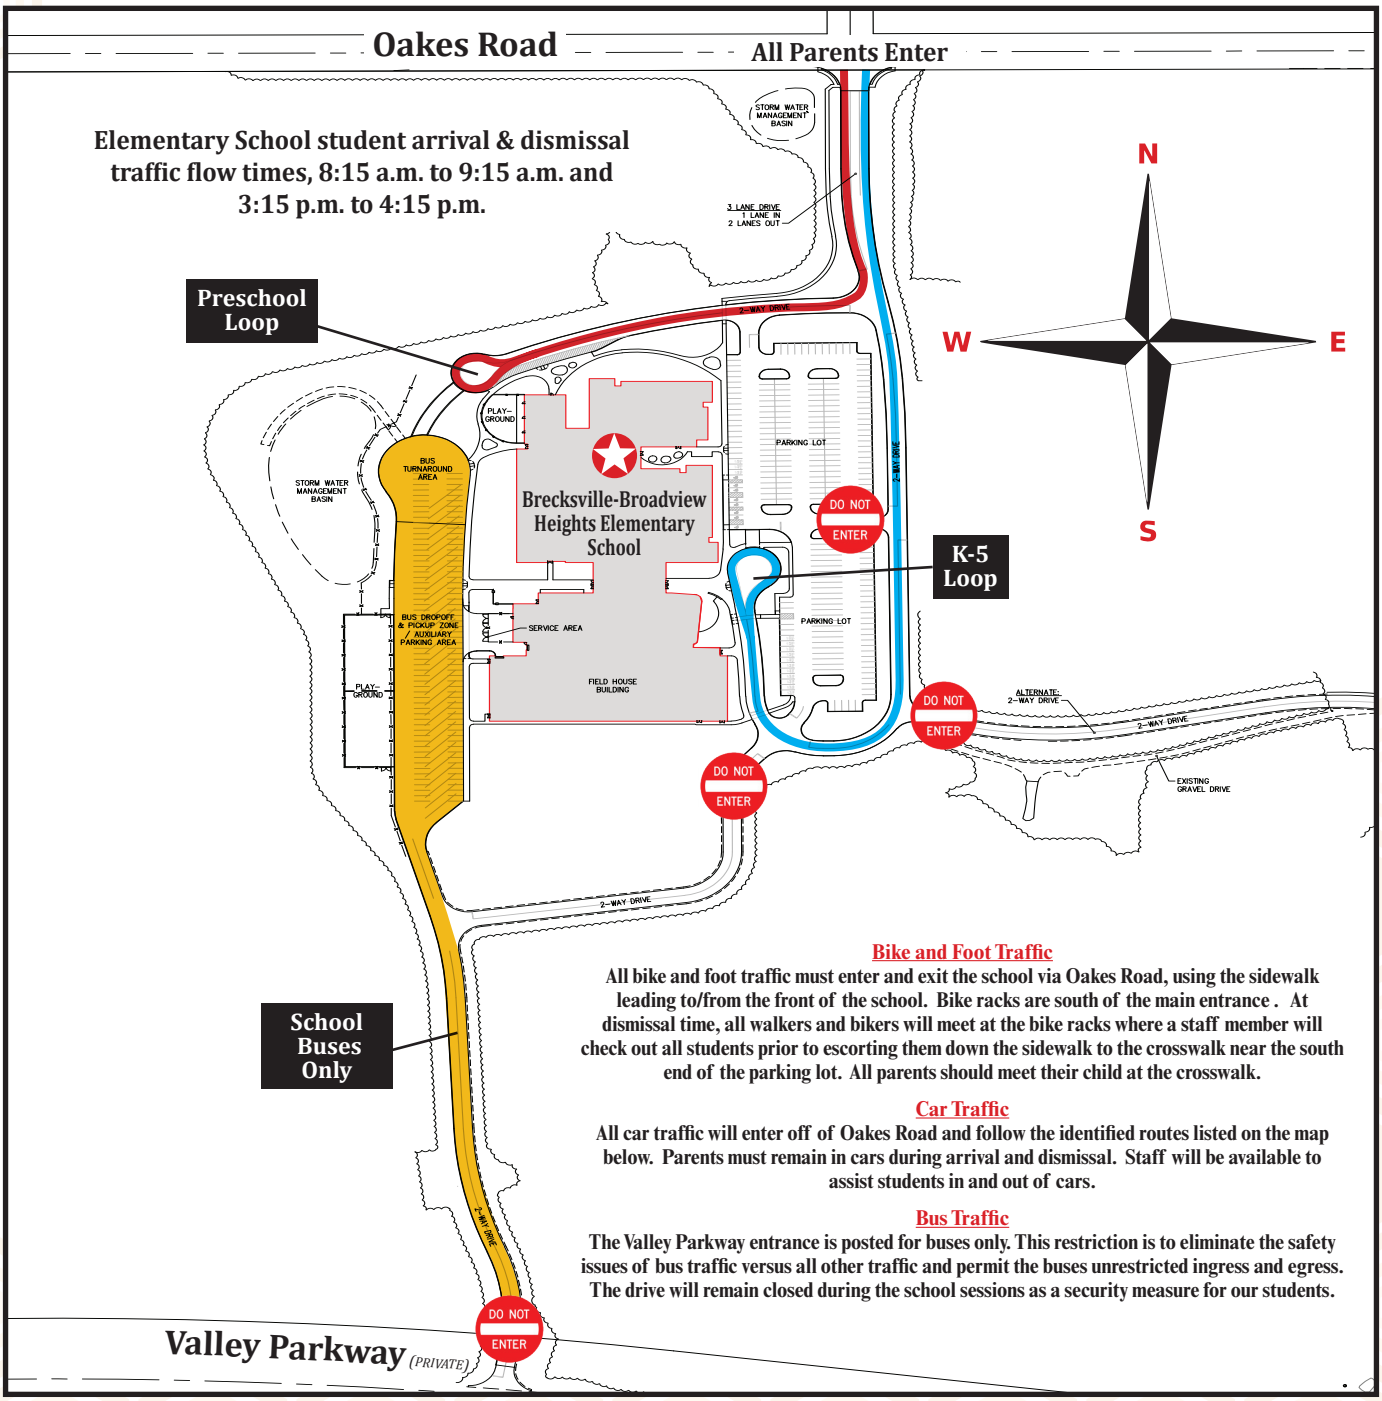
Brecksville-Broadview Heights City Schools

BBH Elementary School: Arrival & Dismissal Traffic Flow Map



Bike and Foot Traffic

All bike and foot traffic must enter and exit the school via Oakes Road, using the sidewalk leading to/from the front of the school. Bike racks are south of the main entrance. At dismissal time, all walkers and bikers will meet at the bike racks where a staff member will check out all students prior to escorting them down the sidewalk to the crosswalk near the south end of the parking lot. All parents should meet their child at the crosswalk.

Car Traffic

All car traffic will enter off of Oakes Road and follow the identified routes listed on the map below. Parents must remain in cars during arrival and dismissal. Staff will be available to assist students in and out of cars.

Bus Traffic

The Valley Parkway entrance is posted for buses only. This restriction is to eliminate the safety issues of bus traffic versus all other traffic and permit the buses unrestricted ingress and egress. The drive will remain closed during the school sessions as a security measure for our students.
