

Here Comes The Bus

Brecksville-Broadview Heights City School District is pleased to connect and protect our families with real-time bus tracking and arrival alerts by offering the **Here Comes the Bus** app. The app can be downloaded on a mobile device in the app store and allows families to know via push notifications and email when the bus is approaching the designated stop or has entered the neighborhood depending on the selected settings. The app is available free in the app store and Google Play. If you don't have a smartphone or tablet, you can still reap the benefits of the Here Comes the Bus website on a laptop or desktop computer.

Use of the app is meant as an additional tool to assist parents in planning their morning routines; however, students will still be required to be at their bus stop at least five minutes prior to their assigned pickup time and wait in their driver designated place of safety, as set forth by Ohio Administrative Code (OAC 3301-83-13).
