Dear Brecksville-Broadview Heights Families,

Since March 2020, the Food Service Department has operated under USDA waivers providing all students nationwide with free meals. Unfortunately, those waivers have expired and our program will revert back to operations and guidelines established prior to the pandemic. Please note that families will need to complete the free and reduced meal application by visiting www.payschoolscentral.com. You may also check your student's account balance and add money to your student's account via this link. Listed below are the meal prices for the 2022-2023 school year.

Breakfast:

Elementary: \$2.00

Middle and high school: \$2.25

Reduced: \$0.30

Non student/Adult: \$2.50

Lunch:

Elementary: \$3.25

Middle school and high school: ranges from \$3.50- \$4.50 (\$3.50 for basic cafe lunch; \$4.25 for sub/wrap lunch; \$4.50 for salad lunch)

Reduced: \$0.40

Non student/Adult: \$4.75

All menus can be found through the free interactive tool, My School Menus, located on the district website or through the mobile app. My School Menus provides detailed nutrition information for all menu items and allows students to better understand and customize meal selections.

We are excited to share that the district has implemented ID badge scanners at each point of sale. Students no longer need to enter their PIN number onto a PIN pad; instead they will simply swipe their badge at the register.

We look forward to a wonderful year ahead, feeding our students healthy and wholesome meals! Please feel free to contact me if you have any questions.

Thank you!
